The following two books were presented to the Library by Mrs. Bess Colby: *Icebound Summer* by Sally Carrighar, given in memory of Mrs. Helen T. Rand, and *One Day on Beetle Rock* by Sally Carrighar, given in memory of Mrs. Annie R. Hill. A volume was also given in memory of Mrs. Edith Beane by the Concord Bird and Wild Flower Club: *A Field Guide to the Birds* by Roger T. Peterson.

Among other acquisitions were the following: *'Twixt Twelve and Twenty*, by Pat Boone; *Kids Say the Darndest Things*, by Art Linkletter; *Guns and Hunting*, by Pete Brown; *Golf at a Glance*, by Bud Gaskill; *New Complete Book of Small Boats*, by Lloyd Mallan; *Jungle Pilot*, by Russell T. Hitt; *Bending the Twig*, by Augustin G. Rudd (Gift of Mrs. Frances Allen); *Pebble in a Pool* (Dorothy Canfield Fisher's life), by Elizabeth Yates; *The Good Land*, by Loula G. Erdman; *The Witch of Blackbird Pond*, by Elizabeth G. Speare.

The State Library has been most helpful in supplementing our holdings with substantial loans through the Bookmobile and by mail.

The Librarian has noted an increase in the use of the Library by our elementary school children and likewise a larger total circulation.

Assistance was given in locating material for 30 reference questions.

Under the Librarian's supervision some of our young people received not only instruction in the use of the Library but also actual experience assisting at the charging desk.

In the spring the Librarian enjoyed a trip to Europe via Pan American Airlines, visiting Holland, Germany and Switzerland. During her absence the Library was in the capable charge of Miss Amy Langlitz.

Librarian

REPORT OF EPSOM VOLUNTEER
FIRE DEPT.

For Year Ending December 31, 1959

Following is submitted the Annual Report of the Epsom Volunteer Fire Department.

The 1959 fire record was very good with only two bad house fires and several small fires — no damage — and the usual run of chimney fires.

There has been much new equipment added, including a portable light plant with two flood lights. Much of this new equipment was purchased with the Volunteer's personal funds.

Again I ask you all to bear in mind the Fire Danger and watch your electrical equipment, heating equipment, smoking, etc. Know how to call your Fire Dept. Make the call quickly (call first — find out you don't need them after). Make the call correctly and give all the information you can.

Respectfully submitted,

R. G. WARNER, Chief
Epsom Fire Dept.

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note:

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires — 1

Number of acres burned — 1/10

NOTICE TO DOG OWNERS

The Town of Epsom would appreciate it very much if all dog owners would pay their dog taxes promptly. This tax is due May 1st and all dogs three months old or over must be licensed. Also any dog that reaches the age of three months during the year should be licensed for the balance of that year.

Sending out a collector is expensive and would be quite unnecessary if everyone would cooperate in getting this necessary bit of town business done on time.

Respectfully submitted,

NEIL G. REID, Chairman
Board of Selectmen

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Epsom of which the above is a true summary for the fiscal year ending June 30, 1959 and find them correct in all respects.

MADELEINE E. YEATON,
Auditor

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Epsom:

The Epsom Elementary School was organized in September, 1959, as follows:

<i>Grade</i>	<i>Pupils</i>	<i>Teacher</i>	<i>No. in Rm.</i>

Other staff members include the following:

School Nurse-teacher Mrs. Frances L. Harvey, R.N.

Epsom district tuition pupils attending high schools and approved Public Academies, as follows:

						Tuition

Concord			3	2		5	385.00

Coe-Brown			1		1	2	388.00
Pittsfield (1 — 8)	5					5	220.00
<hr/>		<hr/>					
Total Tuition Pupils	5	13	10	9	10	47	

In September Miss Aphrodite Papazoglou replaced Mrs. Barbara Smith in grades four and five, and Mr. Paul Hanson replaced Mr. Dave Roberts as teaching principal in grades seven and eight.

All grades received a battery of the Metropolitan Achievement test at the end of the first semester, ex-

cept grade 1, their test is given at the end of the year. Grades 2-4-6-8 have taken the Otis Quick Scoring Test of Mental Ability.

A 21" Motorola TV set has been installed in the Epsom School. This media is being used to supplement and enrich the existing curriculum. The Epsom pupils have been participating in a course of elementary French and in science. WENH-TV, Channel 2, is currently presenting programs in social studies, mathematics, science and foreign languages.

A science cabinet and elementary kit has also been introduced the school as additional equipment. This will be used to strengthen the science program and for demonstration of scientific principles.

The staffing of our schools with well trained and adequately prepared teachers is still a critical problem. A continued shortage of teachers in all areas of instruction and the demand for additional teachers is an acute situation in New Hampshire. A poll taken recently at the Southeastern Superintendents' meeting indicated that there will be needed 131 additional teachers in this area next year. Consequently, the community should exercise every financial effort to retain their better and experienced teachers.

In our American Democracy, the education of our children and the financial support of our schools is largely the responsibility of the local community, however, a few people realize the scope of this expenditure in Supervisory Union No. 44, which includes your community. The following data will be of interest to you:

<i>School District Appropriations</i>		<i>Cost of Building Projects</i>	
1959-60		1959-60	
Barrington	\$91,438.25		
Epsom	60,996.87		
Farmington	201,166.95		
Milton	143,408.65		
Northwood	58,459.48	Farmington	\$125,000.00
Nottingham	49,767.00	Milton	300,000.00
Strafford	51,606.94	Strafford	123,000.00
<hr/>		<hr/>	
Total	\$656,844.14	Total	\$848,000.00
Grand Total — \$1,504,844.00			

An additional teacher is in dire need for next year to alleviate the pupil load in the first three grades. It is highly recommended that the district assign a teacher for each of the first three grades. This will insure better instruction in the primary grades and reduce our high incidence of poor reading.

In conclusion, may I say that during my four and one-half years as your superintendent many changes have occurred. Because of these changes I am all the more appreciative of the constant cooperation given me by the school board, citizens, teachers, and students.

Respectfully submitted,

RAMON MARTINEAU,
Superintendent of Schools

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

During the past year, as part of the school health service, all the pupils in the school have had health inspections, which include checking height, weight, vision, teeth and tonsils. Whenever defects were found the parents were informed either by a house call or a letter. Parents have been very cooperative in having these corrected.

A health questionnaire was sent out to all parents in order to bring the health records up to date, so that as complete a record as possible can be kept on each child.

In May a well attended Pre-school clinic was held with Dr. Robert Billings of Rochester present to examine each child and to vaccinate on request of the parents. It was gratifying to have so many mothers present to talk personally with the doctor.

I would like to take this opportunity to thank Mr. Martineau, the School Board, the teachers and parents for their helpfulness during the past year.

Respectfully submitted,

FRANCES L. HARVEY, R.N.
